ACADEMIC HISTORY

Computer Science Department of Czech Academy of Sciences   *March 2021 - present*
Postdoctoral researcher

Instituto Nacional de Matemática Pura e Aplicada   *March 2016 - March 2021*
PhD in Mathematics
Advisor: Robert Morris

Hamburg University   *March 2019 - November 2019*
Exchange program during PhD
Advisor: Mathias Schacht

Instituto Nacional de Matemática Pura e Aplicada   *March 2014 - February 2016*
Master in Mathematics
Advisor: Robert Morris

Universidade Federal de Minas Gerais   *January 2009 - December 2013*
Bachelor in Mathematics

TALKS AND SEMINARS

- Discrete Mathematics Seminar in Freie Universität Berlin - November 2021

- Research seminar in Masaryk University, Brno - October 2021

- Talk in Random Structures and Algorithms - Zurich, 2019

ATTENDED CONFERENCES

- Berlin-Hamburg-Poznan-Warsaw Seminar on Discrete, 2019

- Recent Advances in Extremal Combinatorics workshop - Oxford, 2018

- ICM 2018 - International Congress of Mathematics - Rio de Janeiro, 2018

- ICM 2018 (Satellite Event) - Combinatorics: extremal, probabilistic and additive - São Paulo, 2018

- Summer School on Random Graphs and Probabilistic Methods - Fields Institute - Toronto, 2017

- Eurocomb - Vienna, 2017

- Random Structures and Algorithms - Gniezno, 2017

- Polish Combinatorial Conference - Bedlewo, 2016

- São Paulo School of Advanced Science on Algorithms, Combinatorics and Optimization - São Paulo, 2016

TEACHING

- Teaching assistant in Real Analysis for undergraduates

- Teaching assistant in Analysis in R^n

- Voluntary teaching in Brazilian SAT free preparation course.
